CAREER OBJECTIVE

Focused computer engineering major (3.9 GPA) currently attending University of California-Santa Cruz, with 2 years of work experience. Aiming to leverage a proven knowledge of C++, Rust-lang, and circuits to successfully fill the Hardware Design Engineer Intern role at your company. Frequently praised as detail-oriented by my peers, I can be relied upon to help your company achieve its goals.

EXPERIENCE

CSU Bakersfield - IT Services   **Bakersfield**
Assistant Web Developer   *Sep 2019 - Aug 2020*
- Lead the development of a web-based 3D campus "virtual tour".
- Update department web pages with new materials as requested.
- Assist in the development of the campus website.
- Test and revise campus web pages for WCAG Compliance.

Helpdesk Assistant   *Oct 2018 - Sep 2019*
- Provide Tier 1 & 2 support for campus needs.
- Manage customer accounts.
- Utilized ServiceNow ticketing to manage tasks.
